2024 Annual Jim Richardson Scholarship

We are happy to announce the second annual Jim Richardson Scholarship. Jim was a dedicated instructor and board member, always encouraging students and inviting potential students to not only learn, but enjoy the art of lapidary and jewelry making. Jim was admired and loved by students and instructors... we want to honor him and all of our instructors who work so hard to make William Holland a special place of fellowship and learning. We are offering four scholarships this year: two for a lodging student, one for a commuter student and one for a Jr. Rockhound. The scholarship is open to all students, we just ask that you tell us what this scholarship would mean to you and how would you use it to fulfill our mission of carrying on the art of lapidary and jewelry making.
